# Details

## COLOR

The Jenner Lounge is available in a selection of 6 of our 18 standard colors.

CHALK

FOG

MOJAVE

ASH

MAKO

CACAO

To find out more please visit our website at [www.concreteworks.com/concrete/color/](http://www.concreteworks.com/concrete/color/)

Our products are handmade from glass fiber reinforced concrete, which is a natural material. Color samples should only be used as a general representation of the material. Expect variation in color, texture and porosity.

## FINISH

The Jenner Lounge is available in 3 finish options: Standard, Natural or Acid Etch.

## SEALER

The Jenner Lounge, like all Concreteworks products, are sealed before they leave our facility. For most applications our standard sealer performs well. For lounges being installed in public spaces we do offer an anti-graffiti sealer.

## PRICING\*
